

JENSEN SIDE TABLE

A square piece of faceted and diamond-like Lucite? forms the Jensen table top. It's held in place by a crisscrossed Antique Gold frame, much like the fitting on a ring. Mr Brown's Jensen Collection is jewelry for the home.

Finishes: Antiqued Gold with Clear Lucite

Dimensions:

Overall: W15.75 x D12 x H25

Table top: W13.75 x D10 x H24
