

ODETTE CABINET

Our new Odette Cabinet is a beautiful example of an updated 1950's original with a crisp, modern Shagreen cabinet and sliding doors in an Antiqued Brass finish. The Odette has easy access and ventilation panels for media use. Comes with four adjustable shelves. Each piece is finished by hand by artisans and is unique.

Many Mr Brown designs are wrapped in Aged Brass, which is hand-tooled, polished and beautifully patinated. It shows the maker's mark over time.
