

MR. BROWN LONDON

DINING TABLE COLLECTIONS

DINING ROOM

Fun begins with
friends and family.
When you entertain
there's time to
share stories, delve
deeper and create
connections. That's
food for thought.

—Mr Brown

Fun can be found in function.
 Must a table always have four legs, for instance?
 To Mr Brown there's always another option,
 a different dimension, if you prefer.
 Ah, that's the spirit.

MIX & MATCH, TOPS & BASES

Mr Brown's been Round for some time with eleven bases to accommodate a raft of tops in various sizes and finishes. Round isn't always quite right in a floor plan, so Mr Brown has ably shape shifted with a series of rectangular and oval table top options.
